TERMS & CONDITIONS

- a) The title to the goods stipulated herein shall at all time remain exclusively with Tensioned Fabric Structure Sdn Bhd (TFS) until full payment is received by TFS (not inclusive of deposit and partial payment) Retention sum is not allowed.
- b) Any delay (not caused by TFS) in the mobilization for whatsoever reasons exceeding 3 months from the date of purchase will result in the forfeiture of deposit paid as the shown in our payment terms.
- c) All purchase orders are subject to cancellation if the purchaser failed to pay the deposit within 7 days from the date of purchase order issued. In such event of cancellation, TFS reserves the right to claim from the purchaser for any losses and expenses incurred by TFS.
- d) All relevant permits and local authority licenses and Public Liability Insurance should be borne by the purchaser. Upon request of such services, TFS would be advised accordingly.
- e) The warranty will not apply in sole judgments of TFS- subjects to misuse, neglect, by accident or which has been subject to wear and tear, friction, scratches or perforations which exceeds normal use, exposed to harmful chemicals, abused by machinery, equipment or any person or any application of artworks on-to the materials.
- f) The colours on the sample's swatch shown are only for evaluation purpose. The actual color of the fabric and paint will be slightly differed of $\pm 5\%$ and subject to availability of stocks
- g) Any changes of design concept, location, site, method of installation, materials, colors, structures etc. requested by purchaser after the confirmation shall considered as Variation Order (V.O) and to be charged to the purchaser.
- h) A sum of RM5,000.00 to RM25,000.00 or based on project value (whichever is higher) would be charged for provision of the details drawing, engineering, structures and membranes analysis reports. Pertaining to, if the project is awarded to TFS, the charges would be waived. Where else the proposal drawings and shop drawings would be complimentary.

- i) The above payment terms should be adhered strictly. Cancellation of project whilst mid of fabrication would cause much inconveniences. The purchaser would bear any loss and damage suffered as a result, including interests, third party costs, if any and any also other incidental costs attributed to such cancellation
- j) Any defect of workmanship/specification must be notified within 14days after handover of the project via written notice specifying the details of defects, failing which such goods and/or projects shall be deemed to have been delivered and/or done in good order and in conformity with this contract and TFS will not accept any complaint or claim thereafter.
- k) This quotation is valid within the time frame as stipulated above, served as legal binding contract and as a Purchase Order upon receipt of your signed copy with company stamp returned it us before the due date.
- l) A tolerance of 5% to 10% by area is accepted as an allowable manufacturing deviation for fabric materials. In the event that manufacturing defects are identified within this tolerance, the product shall still be considered acceptable. However, if defects are found beyond this tolerance, TFSSB will, at its discretion, replace only the defective portion of the fabric, and not the entire material supplied. This warranty does not apply to damage caused by improper handling, installation, or use beyond specified environmental conditions, and is valid for a period of 12 months from the date of delivery.

We hope the above quotation meets your requirement. We look forward for a favourable reply from your goodself soonest possible. Your satisfaction towards our pricing and service is utmost important for us.

Thank You.
